UltraSkin

UltraSkin from DICOTA - the perfect safeguard for your Notebook!

For those who want to transport their Notebook easily and safely.

UltraSkin 17" from DICOTA is manufactured from special, shock-absorbing "memory-foam". The elastic protective cover fits like a glove. Any pressure possibly generated is deflected by the extraordinary "memory foam" (polyurethane foam), so that potential blows are absorbed. The foam regains its original form after the impact.This way your Notebook is ideally protected during transport. The inside of the zipper has an extra protection preventing scratches to your Notebook. A further advantage: in addition, the material is water-repellent.

UltraSkin is available in classic black, in sizes 13", 14”/15”, 15.4" and 17".

Flexible protective cover for your Notebook. for all those wanting to transport their Notebook easily and flexibly. made from special, shock-absorbing "memory foam". water-repellent, elastic protective cover fits like a glove. possibly generated pressure is deflected by the extraordinary "memory foam" (polyurethane foam), potential blows are absorbed. the foam then regains its original form. Notebook is ideally protected against transport damage. extra protection on inside of zipper to prevent scratches on the Notebook.

Art. Nr.: N13158P (black/grey)
